Typical local download speed range for Singtel Fibre Plans:

1Gbps Fibre Plan: 800.07Mbps – 972.59Mbps
2Gbps Fibre Plan*: 1527.84Mbps – 1825.92Mbps
10Gbps Fibre Plan: 8144.63Mbps – 8224.36Mbps

The typical download speed range is computed to reflect that at least 90% of the time, a user should experience the lower bound speed or higher. Results above were validated in April - June 2021. For more information, visit www.singtel.com/personal/support/broadband/typical-download-speeds.

*Based on each available active GbE LAN port on the Optical Network Router. 2Gbps Fibre Home Bundle allows for the maximum throughput of 1Gbps per LAN network port, and an aggregated maximum throughput of 2Gbps per household based on two concurrent download connections. Speed testing on any individual LAN port will show a maximum throughput of 1Gbps plan.

Home Priority Plan comes with 4 units of Singtel Mesh Extender while Home Priority Plus Plan comes with 4 units of Netgear Orbi Mesh Wi-Fi 6 System – AX4200 (RBK752). Both plans also come with dedicated customer care benefits as listed on our website (<https://www.singtel.com/homepriority>).

Bundled Mesh: The bundled Singtel Mesh Extender AC2600 4xMIMO, has been tested on SingNet's routers only; there is no guarantee of Mesh Extender's performance on third party routers. In the case of Home Priority Plus Plan, the 4 units of Singtel-branded Wi-Fi mesh may be replaced with 4 units of 3rd party branded Wi-Fi mesh. No refund permitted. SingNet reserves the right to replace the model of the Mesh Extender with other models without prior notice.

2-Hour Site Support: Customer is only eligible for 2-Hour Site Support in the event that phone-in troubleshooting is concluded with Singtel Customer Care before 6.00pm and the necessity for the onsite technical support will be determined by Singtel.

Complimentary Site Survey session: Complimentary site survey session bundled in the Home Priority Plus Plan is applicable to customers staying in multi-storey properties only.
